

DEPARTMENT OF
ENVIRONMENT &
CONSERVATION

JOHNSON CITY ENVIRONMENTAL FIELD OFFICE

2305 Silverdale Drive- Phone: (423) 854-5400

Directions to Johnson City Environmental Field Office:

From I-26 South (former I-181) take Roan Street Exit #35. Turn Right onto Roan Street at the bottom of the exit ramp. Merge immediately to the far left lane and take left onto Broyles Drive at the first signal light. Immediately (~50 yards), turn left at next signal light onto Princeton Road. Go across I-26 (I-181) bridge. Go past North Side Hospital on left and take the first road on the right, Silverdale Drive (0.7 mile from Roan Street). The Johnson City-Environmental Field Office is located at the top of the hill on the right across the street from TRACO & next door to UPS (0.2 mile from Princeton Road).

The following Divisions have staff at the Johnson City Environmental Field Office:

- Air Pollution Control
- Ground Water Protection
- Information Systems
- Office of Environmental Assistance
- PARTAS/RES
- Solid/Hazardous Waste Management
- Remediation (formerly Superfund)
- Underground Storage Tanks
- Water Pollution Control
- Water Supply
